

## **ANNOUNCEMENT**

### **Mr. Dale Hildebrand Joins Genalta Power & Heads Strategic Consulting Group**

CALGARY, ALBERTA – (April 16, 2011) – Genalta Power Inc. is pleased to announce that Dale Hildebrand has joined the company as VP, Regulatory & Electricity Markets, to oversee regulatory approvals for all projects and to head our new strategic consulting group.

Dale will be responsible for all consulting services and regulatory and utility approvals for Genalta Power's projects. His role will be to assist the project teams to ensure that each project Genalta Power develops benefits from the financial and regulatory enhancements available to Independent Power Producers, resulting in project optimization and on-time / on-schedule installations.

"Dale's 25 years of electricity industry experience in the areas of utility operations, generation development, regulatory approvals and compliance is a perfect fit for Genalta Power," said Graham Illingworth, CEO. "The consulting services Dale has been providing to industry for the last 17 years are the same services that will bring value to Genalta Power's projects."

Genalta Power has formed a new strategic consulting division to provide uninterrupted service to Dale's clients and to enhance the service offerings to Genalta Power's clients.

#### **About Genalta Power Inc.**

Genalta Power is a privately held Canadian corporation in the business of developing, owning and operating independent power plants that produce and sell environmentally friendly electricity from waste energy sources. Genalta Power pursues a mix of waste heat recovery, waste fuel gas and waste pressure projects. Genalta Power is developing projects in strategic regions of North America with an emphasis on the oil and gas industry.
