

Genalta Power Inc. Announces Mr. Rene Dureault to Vice-Chair of Board of Directors

Calgary, Alberta – August 1, 2011 – Genalta Power Inc., (“Genalta” or the “Company”), an independent developer and operator of waste energy to electricity generation facilities, announced today that Mr. Rene Dureault has been elected as the Vice-Chairman of the Board of Directors of Genalta Power effective July 21, 2011.

Mr. Dureault will assist the Company by filling this strategic leadership role and will work closely with Mr. Peter Lacey, the Board Chairman, and Graham Illingworth the company’s CEO. Mr. Dureault has been on the Board of Directors of Genalta since March 2008. In addition to this new role, Mr. Dureault will continue to chair Genalta’s Compensation Committee as well as the Corporate Governance Committee.

Mr. Illingworth noted that “on behalf of the Board of Directors we are pleased that Mr. Dureault has accepted the role as Vice-Chairman and I look forward to working with him in his new capacity. The move continues to strengthen Genalta by bringing very strong leadership skills to the company.”

About Mr. Rene Dureault

Mr. Dureault’s career of 50+ years has seen him successfully span a wide range of businesses with their roots focused on a client base within the retail, commercial and institutional sectors. Currently, Mr. Dureault has given up his daily responsibilities in a variety of business interests preferring instead to devote his time to providing leadership and mentoring to key individuals in both profit and not for profit ventures. While Mr. Dureault is currently retired, he maintains an active involvement in a variety of ventures including land development, commercial construction and agriculture. Prior to retirement, Mr. Dureault developed a reputation as a successful entrepreneur functioning in the capacity of President and CEO of numerous companies with their primary focus in land development, construction and asset management through maintaining a portfolio of Industrial/Commercial buildings for lease.

Mr. Dureault lends his years of financial business expertise, entrepreneurial spirit and project management to Genalta Power, he is one of the founding investors in Genalta Power and his contributions to the company have been instrumental in the company’s growth, development and success
