

## **ANNOUNCEMENT**

### **Barbara Baker Joins Genalta Power as VP Business Development**

CALGARY, ALBERTA – (May 3, 2011) – Genalta Power Inc. is pleased to announce that Ms. Barbara Baker has joined the company as VP, Business Development.

Barbara will be responsible for leading our Business Development team as we continue to build Genalta Power's business interests by developing waste energy to power projects that offer our clients financial and environmental benefits.

"Barbara's 21 years of energy experience, with 17 years specifically in the electric power industry, elevates the level of in-house expertise Genalta Power can offer our clients" said Graham Illingworth, CEO. "Business development is a strategic activity for Genalta Power and we are pleased to have someone of Barbara's caliber to lead the Business Development Team."

Barbara's knowledge and insight into the power industry and her work with industrial and commercial power users, allows Genalta Power a strategic advantage in building and providing solutions for our current and future clients.

#### **About Genalta Power Inc.**

Genalta Power is a privately held Canadian corporation in the business of developing, owning and operating independent power plants that produce and sell environmentally friendly electricity from waste energy sources. Genalta Power pursues a mix of waste heat recovery, waste fuel gas and waste pressure projects. Genalta Power is developing projects in strategic regions of North America with an emphasis on the oil and gas industry.
